

QuickBox monteringsbeslag til mur c/c 150 mm

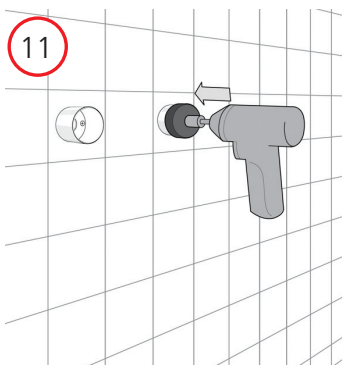

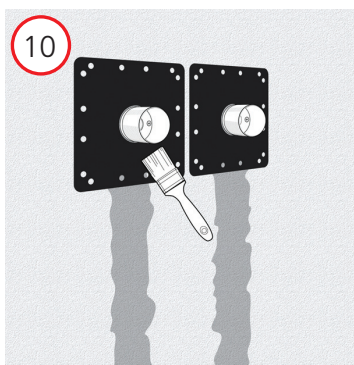

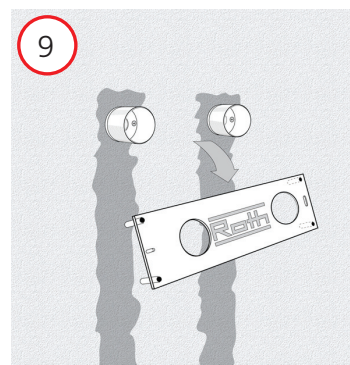

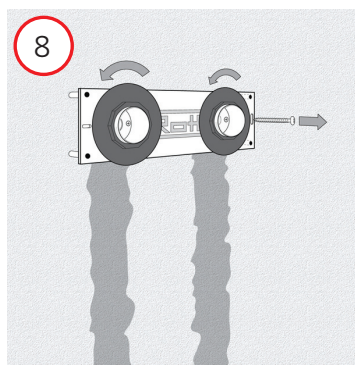

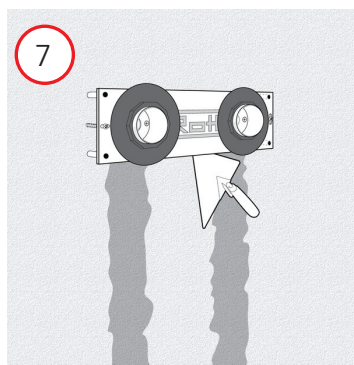

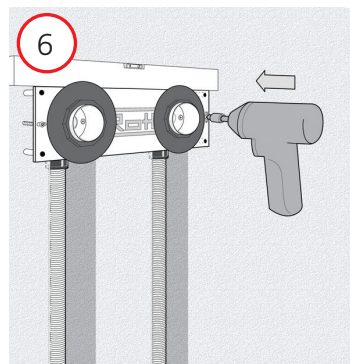

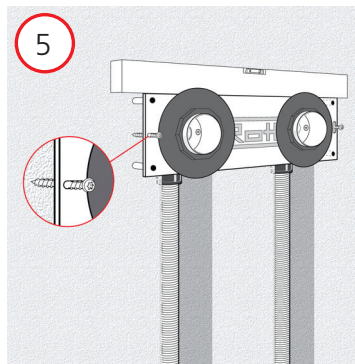

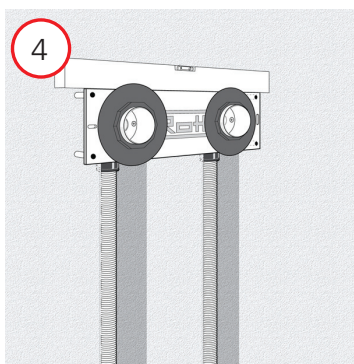

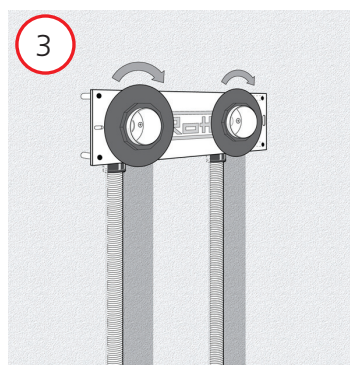

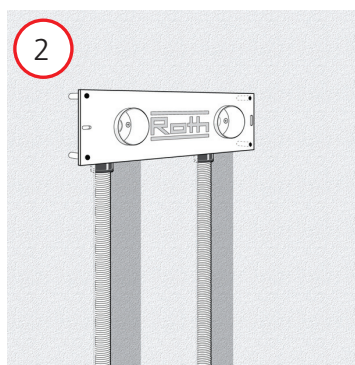

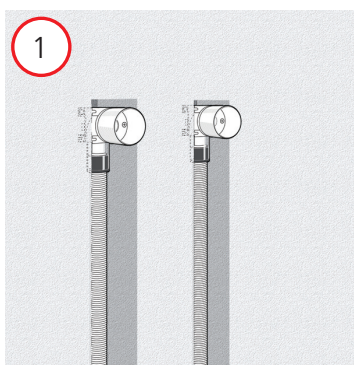

Trykprøvningspropperne kan blive i
koblingsdåserne under monteringen.

QuickBox monteringsbeslag til mur c/c 150 mm

Roth har udviklet et nyt monteringsbeslag til den velkendte QuickBox™, som gør det enkelt for dig som er professionel installatør.

Monteringsbeslaget passer perfekt til QuickBox koblingsdåsen og sikrer dig en ensartet indbygningsdybde hver gang. Derfor kan du altid anvende standard nilhaner, stophaner, tilgangsstykker og forskruninger. Herunder ser du hvordan du enkelt anvender monteringsbeslaget igen og igen.

QuickBox™ monteringsbeslag

Mål, l x h: 310 x 82 mm
